THE MISSION

EXECUTIVE SUMMARY

This past year has been one of change for the North Carolina Justice Academy. I was honored to be appointed to the position of Director for the Academy in December of 2010, succeeding Peggy Schaefer, who retired after 21 years with the Academy. There have been several other changes in the staff during the past year, including three management positions. The entire staff at the Academy has continued to perform and provide the expected excellent level of service to the law enforcement community within our state. Everyone continues to strive to ensure that we met our goals and mission as an academy.

The budget continues to create challenges, but the Academy has been able to fill vital positions during the past year and look for savings where possible. The Academy lost three full-time and one part-time position due to the budget cuts; however, these were vacant positions so we did not lose any actual personnel. As of October 1, 2010, the Legal Center Agency Legal Specialists reclassified to Attorney I positions and transferred to the Law Enforcement Liaison Section of DOJ. Other positions have been shifted to receipt based to create savings in those areas.

This year we were again fortunate that several of our capital projects were approved and funds allocated. Projects during this year included renovation of the Annex Building at the East Campus, along with water heater upgrades and a masonry/water intrusion project at the West Campus. The most excited capital project during the year has been the construction of the long awaited Indoor Firing Range at the West Campus. We are excited for this facility to open and the training opportunities it will provide in the western part of the state. A Law Enforcement Day will be held to commemorate the opening of the range.

The Academy underwent its first Commission on Accreditation for Law Enforcement Agencies (CALEA) reaccreditation on-site in February 2011. The position of Accreditation Manager for the Academy was another change in the staff and a new Accreditation Manager was hired in July of 2010. A tremendous amount of work by many of the Academy staff members went into this project in preparing the files for the Academy and ensuring all the files were updated and in compliance. This process culminated with the actual certificate of reaccreditation being received at the spring 2011 CALEA Conference held in Bethesda, Maryland.

The next couple of years will continue to offer budget and staffing challenges, but the Academy has an impressive and formidable staff. The Academy staff works hard to overcome and handle those challenges that arise.

OPERATIONS & SUPPORT

INSTRUCTIONAL SUPPORT SERVICES

Chris Anderson led Instructional Support Services the first half of the year and continued to assist during the spring until his replacement, Anthony Aycock, was named in June 2011. Chris's excellent technical skills and knowledge of on-line learning proved to be great assets for this department.

Sheila Honeycutt, Registrar, and Linda Warren, Program Assistant, are constantly working to ensure proper scheduling of classrooms and maintain all student

registration records for the East Campus. Monique Flynn, Registrar, is responsible for the registration and scheduling at the West Campus.

Vicki Pope, Media Technician, worked to continually improve the new website for the North Carolina Justice Academy, making the site more "user" friendly. LEARNING RESOURCE CENTER

The Learning Resource Center (LRC) has over 23,000 books, technical reports, and reference material on a variety of subjects, including investigations, forensics, police administration, traffic safety, leadership, communications, and North Carolina history. It also has law enforcement training materials and policy manuals, as well as one of the largest legal collections in eastern North Carolina.

Anthony Aycock, the library supervisor, is extremely knowledgeable and always willing to share. He continues to introduce new materials and services for the students and staff. New titles and publications are continuously added to improve the resources available here on campus.

Anthony himself is a great resource for those in need of reference materials and articles for assignments, lesson plans, and projects. He is able to locate and obtain

materials from the state library or other libraries throughout the state.

Kitty Peak, Library Technician, manages the audio visual center and provides assistance with AV equipment. Whether the needs are for equipment to be checked out or just troubleshooting, Kitty is always ready to assist employees or students with a friendly smile.

The selection of popular movies on DVDs available to students and staff to check out continues to grow each month. Since some students are on campus for several weeks, this provides a source of entertainment for them.

Elaine Beatty provides support in the evening hours for students. She is available to assist students with their needs when they are completing homework and projects.

VIDEO PRODUCTION UNIT

Valerie Coffey, TV/Media Services Coordinator, and the video staff provide services for not only the Academy but many other agencies across North Carolina. During the year they travel with their cameras to capture many events such as the SWAT Conference, the Governor's Crime Commission Safe Communities conference, and the annual Peace Officers Memorial Day Ceremony. This unit also has a huge roll in producing the annual In-service Training videos. The video unit, along with the SBI, Tanya Chapman, and

Michael Glenn worked closely last fall on a major project, the DNA Database Act video. Over 1200 copies of the DVD were distributed.

Brad Ellis, TV Producer/Director, adds his creativity to the various training and event DVDs produced by this department. David Jensen joined the video staff in February 2011 as a TV Producer/Director, replacing Bryan Miller. During the year this department worked on 27 projects and duplicated 4,243 videos and 2,049 DVDs.

Brad Ellis spends many hours editing videos produced by the unit.

Artist-Illustrator Barbara Yow completed 18,915 jobs from 672 requests for the Academy staff and other criminal justice agencies during the course of the past fiscal year. Barbara provides many images for use in notebooks, certificates, booklets, training calendars and numerous other design products she creates. Barbara's creativity help the instructional staff enhance their PowerPoint presentations and other visual aid items she produces. Barbara assists with photography during annual training events such as the SWAT Competition, Telecommunicators' Training Conference, and any special occasion or event as requested.

Marla Norville, Media Technician for the West Campus completed 295 requests which represented 4,292 jobs during this year. Besides completing her graphic requests, Marla can be seen all over the West Campus. She provides assistance with

audio visual equipment in the classrooms or providing photography services.

The print shop is a two person operation lead by Sheila Smith, Printing Unit Supervisor. Johnnie Parker joined the print shop as a Printing Operator in October replacing the vacancy created by Jeffrey Swartz. During the last fiscal year, the print shop turned out almost 7.7 million impressions while completing 660 jobs for the Academy staff and other criminal justice agencies.

The print shop provides many of the training booklets for the NCJA courses, as well as materials for groups like the NC Police Executives Association's annual training conference and the NC Sheriffs' Association conference. Services from the print shop are in high demand, keeping the unit busy.

RESEARCH UNIT

Charles Rambeau, Criminal Justice Specialist, again had a very successful year working with the Governor's Crime Commission and writing grant proposals for different centers at the Academy. Charles prepares and maintains reports for course testing and evaluations. He also maintains and provides quarterly reports from the Academy Services Survey. Charles assists in preparing budget reports to be used by the Deputy Director of Operations. Charles has his General Instructor Certification and teaches Measuring Training Results and Developing Test Questions.

Tami Warren was promoted to Criminal Justice Specialist in July and took over the position of Accreditation Manager for the Academy. Many hours of work were expended in preparation for the Academy's first reaccreditation on-site. The Academy's on-site was held the last weekend of February 2011. In March of 2011, Tami and Mark Strickland, Director, traveled to Bethesda, Maryland to appear before the Commission for Accreditation of Law Enforcement Agencies (CALEA) review board. The Academy received its CALEA Reaccreditation during that conference.

NCJA Managers with Accreditation Manager Tami Warren, Director Mark Strickland and the CALEA on-site assessors. The Academy's on-site was completed by Carel Duplessis, Chief of the Oakland Housing Authority Police Department, and Ted LeMay, Accreditation Manager for the Connecticut Police Officers Standards and Training Council.

CAMPUS OPERATIONS

This year the Academy's major construction capital projects included the Annex Building renovation at the East Campus. Staff was relocated out of the building and renovation construction will be completed in fall of 2011. The plans are for the Annex Building to become the welcome center for the campus. The building will house the Commission/In-service personnel, Dana Phillips, Campus Operations Manager, and Marcella Bonner, Processing Assistant.

At the West Campus, besides the hot water and masonry projects, construction finally began on a state of the arts Indoor Firing Range facility. The facility will have 12 lanes, which can be used for pistol, shotgun, and rifle fire. The new Firing Range will open in August of 2011 and an Open House will be planned to celebrate the new facility.

Workers are hard at work on the new indoor firing range at the West Campus.

THE BUDGET

Indoor Firing Range project at West Campus nears end of construction.

BUDGET REPORT

The budget for the 2010-2011 fiscal year was received by the Academy at the end of September 2010. Reductions were found in the usually larger line items of Educational Supplies and Repairs to Buildings. With the state facing a 3.7 billion dollar shortfall for the 2011-2013 fiscal years, the Academy was requested to submit plans for 5%, 10% and 15% budget reductions. Governor Purdue submitted her budget for this period in February of 2011. After a great deal of proposals, negotiations, and analysis, the Legislature approved its budget in June of 2011.

The Academy shifted three positions to receipt supported positions, which were the Bookstore Manager, the Print Shop Supervisor, and the Printing Equipment Operator. The Legal Center Agency Legal Specialists reclassified to Attorney I positions and transferred to the Law Enforcement Liaison Section of DOJ. Two Criminal Justice Training Coordinator positions, one half-time Training Coordinator position, and one Housekeeping position were eliminated.

In the first quarter, excavation work began for the Indoor Firing Range project at the West Campus. Final approval for the water heater upgrade project was received with appropriation of \$204,000. SAFLOKs were installed for the West Campus dormitory during this quarter.

During the second quarter, the Commission/In-service staff was relocated

to the Powell House in preparation for the renovation of the Annex Building at the East Campus. Appropriation of \$788,006 to renovate the Administration Annex Building included removal of environmental hazards and updating the facility to meet current ADA and life safety codes. The Indoor Firing Range construction project fell behind, and the completion date was extended.

In the third quarter, the Academy was able to obtain seven driving simulators for the Governor's Highway Safety Program. Four will be placed at East campus and three at the West Campus. Two fabricated storage buildings were placed at the East Campus firing range utilizing CCH funds. DOJ Financial provided an extra \$50,000 for equipment during the quarter. These funds were used to upgrade audio-visual equipment and by Instructional Services cost center. The water heater upgrade at the West Campus was completed.

Final stages of inspection of the Indoor Firing Range at the West Campus were beginning in the fourth quarter. The Indoor Firing Range is scheduled to be open in August of 2011. Plans are underway for an Open House to showcase the new facility to local law enforcement agencies and the public. Construction for the Annex Building renovation project is underway and this project should be completed in September of 2011.

GRANTS

#2558, Traffic Enforcement

This grant was awarded from the Governor's Highway Safety Program. This grant addressed three major concerns. First, it was necessary to provide recently approved RADAR/LIDAR instruments for classroom training. This grant also addressed the increase in motorcycle ownership as well as an increase in traffic crashes involving motorcycles. This grant also helped in the fight against illicit drug trafficking on the state's highways.

#2494, Child Abuse Investigations Trainer

This grant was the first year funding of a grant that was awarded in 2009 by the Governor's Crime Commission. This grant hired a temporary instructor to provide courses in the area of investigating child abuse. Specific emphasis in the course work dealt with assisting in conducting a forensic investigation using specialized cameras to document suspected incidents of child abuse. Additionally, the grant will provide resource CDs to local law enforcement to assist them in conducting child abuse investigations.
